Coronavirus Awareness Form

We are excited to get back out to the golf course with our juniors! We are taking this situation very seriously and want to let you know of some of the things Seymour Golf and Country Club are putting in place to ensure the safety of everyone! afety Procedures by Seymour Golf and Country Club Professional Staff • Social distancing – kids will be at least 6' apart from one another at all times. • Screening before class – when signing up for a class, you will have to bring in answers to a health questionnaire provided below. • Sanitizing equipment – before and after each class, Seymour G&CC staff will sanitize all equipment being used during class. • NO contact between players or coaches – unfortunately there will be no high fives or fist bumps, and we will make sure the players are respecting the rules to avoid contact with others. • NO shared equipment – each player will be assigned their equipment for the day (clubs and balls) and at no time will they use something someone else has touched. If you have your own golf clubs, please bring those. • Smaller classes – student to coach ratio will be 4:1. • Bring own water/snacks – we will NOT have any water jugs or fountains at class. • NO touching flagsticks – this will reduce amount of shared touch points during the round of golf.

If you have your own golf clubs, please bring those. Smaller classes – student to coach ratio will be 4:1. Bring own water/snacks – we will NOT have any water jugs or fountains at class.
 Online/credit card payments – we are not using cash to reduce amount of shared touch points with customers. Sanitize touch points – we have increased cleaning/sanitizing all areas of high touch points around Seymour G&CC. Parents – please discuss with your children the importance of abiding by these rules. Thank you.
Screening Questionnaire
 Have you traveled out of the country in the last 14 days? YES NO
 Have you had contact with anyone with suspected or confirmed COVID-19 in the last 14 days? YES NO
 Have you had any of these symptoms in the last 14 days? Fever/Chills/Difficulty breathing or shortness of breath/Dry cough? YES NO
 Are you currently experiencing fever, difficulty breathing or cough? YES NO
If you answered YES to any of these questions, you are NOT permitted to attend class. We must keep all of our juniors, parents, and staff safe during this time.
